To maximise your fundraising and help spread the word, we're happy to provide extra RNIB materials. Unless specified, we will send fundraising materials to the address you registered with us. Someone will need to be home to receive orders which do not fit through a letter box, and please allow at least a week for delivery. We can also provide you with an RNIB logo if you would like to produce your own materials. Let us know and we'll send you a copy.
